

HIM Outsourcing

Experienced, credentialed HIM professionals are hard to find - and even harder to keep. Departments are stretched thin on time, resources and staffing. Handling multiple and concurrent technology, coding, and regulatory compliance initiatives, including all that's involved with ICD-10, is overwhelming. Worst of all, HIM budgets continue to shrink while responsibilities continue to expand.

Is your organization struggling to retain a qualified, forward-thinking HIM Director? Are entire HIM functions backlogged and understaffed? Is the HIM budget dwindling as tasks multiply? Do operational costs and revenue losses deviate from regional norms? Volatility will follow. Pyramid understands.

Our team consists of the nation's foremost HIM leaders. Credentialed, intelligent and technically astute, Pyramid's professionals deliver a level of HIM know-how that is difficult, if not impossible, to duplicate internally.

Whether you need interim management or a completely outsourced HIM department, Pyramid has the depth of knowledge that your organization needs—and your future demands. Isn't it time to take a closer look at Pyramid? HIM knowledge combined with executive expertise is our legacy — and our professional commitment to you.

Problem

ICD-10. Meaningful use. Government audits. HIPAA. HIM departments face a decade of unprecedented change. Now, more than ever, powerful management teams and proven leaders are necessary to face real challenges and deliver real results. Embracing the past is not an option. Making do with unqualified resources will not suffice.

Solution

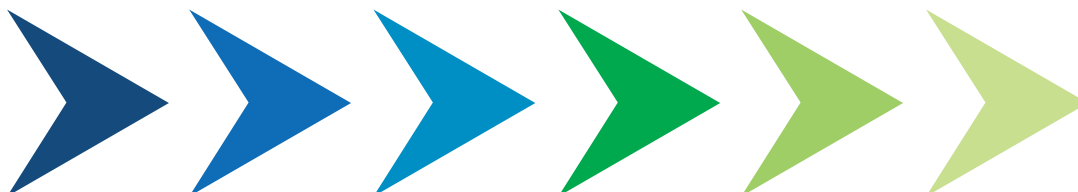

Pyramid experts drive operational efficiency and cost savings throughout every outsourcing engagement. Whether it is a single HIM function or the entire department, our team performs in-depth fact finding, assessments and analysis. You get re-engineered workflows and process improvements that last years after our experts go home.

Beyond HIM results, Pyramid affects revenue enhancement, quality and compliance. But don't take our word for it, ask our customers who have made Pyramid one of the longest-lasting and well-respected HIM outsourcing companies in the industry.

"We saved \$853,236 and completely re-engineered the medical record function thanks to complete HIM outsourcing with Pyramid."
